

WILD & SNEAKY ART®
let your inner artist sneak out

Wildly Creative Group Activities & Experiences

INSTRUCTIONS

HOW TO MAKE SUPERHERO PLANKS FOR THE WILDLY CREATIVE KIDS' SUPERHERO WALL FOR THE HEROIC FAMILY FUN DAY AT THE PLAYHOUSE, SUNDAY SEPTEMBER 25TH 11-4PM.

- 1. Grab hold of your superhero business teams, friends and family:** Get wildly collaborative together and build this sneaky piece of inspirational community wall art for the wildly creative kids' superhero wall. Paint, glue, nail, screw, laser and kryptonite your favourite superhero figurines to the planks provided. Add some artistic tension by adding the arch nemesis of your superhero or heroine! Write the names of your favourite people superheroes on the plank, like family or friends or special people in the community, or add some funky props or wild background colour/effects.
- 2. The Playhouse will provide the planks as your epic palette of creativity:** So grab your superheroes, get to the Playhouse, make a plank donation to the Starship Foundation which raises funds for Starship Children's Hospital and get art-planking with your fave creative crew. Planks can also be purchased from Bunnings Warehouse (Google Maps:[Bunnings Warehouse](#)), if you want to let your creative kryptonite loose at home. Bring your wild art super plank out to the Playhouse on or before September 25th. Local groups, businesses and teams who want to do a team superheroine/hero plank can also head to the Playhouse or contact Nickola Blunt, WASA!® to organise a heroic team planking session. We at WASA!® understand it takes courage to let your inner artist sneak out. Remember, it's not about being perfect, it's about having fun unleashing your creative superhero!
- 3. You will need:** a plank, superhero figurines, permanent marker pens or paint and glue. The Bunnings Warehouse Plank stock no is 00648824. It is fence paling h3.2, 1.8M long, 15.5cm wide x 1.9cm thick, currently \$2.81 per plank. Use Weldbond glue from isle 16 at Bunnings Warehouse in Nelson. Superheroes can be found in the toy section of the Nelson Recycling Centre Re Use Shop or Trademe if you don't have your own private collection! Measure/mark off 8cm spaces on the plank at 5-13 cm, 85-93cm and 161-169cm; keep these spaces clear of art work to allow for bolting onto the wall.
- 4. If you are from outside the region and would like to get involved:** Send your superhero figurines with your name, phone, contact details and a donation to:
The Playhouse Café, 171 Westdale Road, R.D.1. Mapua, Richmond 7081.
5. Donations will be welcomed for each plank. Donations go to the Starship Foundation. You can donate as little or as much as you want towards each plank, as a business, group or individual, to the Playhouse Café.
